

Timeless Inspirations. Brilliantly Lit.

Inspired by the graceful rooflines of traditional Chinese architecture and the warm glow of classic lanterns, the VT9's LED Headlights and Daytime Running Lights reimagine heritage with a modern edge.

Exploring
Boundless Possibilities

Whether you're navigating city streets or escaping to the outskirts, the Jetour VT9 opens new possibilities for you and your loved ones. Built for those who never settle, it proves ambition and practicality can move together.

Signature "JETOUR" LED Welcome Light

Because every entrance and exit deserves a little spotlight, no matter where you're headed next.

Be In Full Control With
Intelligent Voice Command

10.25-Inch LCD Smart Twin Screen

Clear visuals and effortless connection with Apple CarPlay™ and Android Auto™ that keeps everything in sync while you drive.

Multifunction Steering Wheel

Helps you navigate your day with ease while keeping all the essential controls right at your fingertips.

12V Sockets & USB Ports

Power, everywhere you need it. With strategically placed 12V Sockets and USB-A ports in the front and back, the VT9 lets you charge any device effortlessly.

Smart Centre Console With Wireless Charging

Welcome to the centre of control. Shift gears with confidence, take command of the screen with the intuitive rotary dial, and keep your phone fully charged with the 50W wireless charging dock.

Power Folding Side Mirrors

Mirrors that tuck in when you need them to—making parking easier for those tight moments.

Powered Tailgate
